Report of Conference Superintendent

Mr. Chairman and Members of the Conference:

I am very grateful for the privilege of making another report. This has been a very pleasant year in many respects. God has blessed the work, and generally speaking, I have had fine co-operation throughout the conference.

I have been very conscious of my responsibility to God and the Pentecostal Holiness Church. I have tried to conduct myself so as not to be ashamed, neither now, nor when I meet Him on that day. There is nothing between God and me.

MY WORK

I have preached 148 times, made 122 church visitations, presided over 16 district conferences, conducted revivals or series of services in the following churches: Tarboro, Kenly, Mount Olive, Pike's Cross Roads, Morehead City and New Bern. I have attended four Orphanage Board meetings and one General Board meeting in Oklahoma City. I attended and managed Piney Grove Camp Meeting, directed the Christian Worker's Institute, and was in attendance in the Annual Sunday School Convention and preached on Sunday morning. I was in attendance at the Annual Woman's Auxiliary Convention, presided over the Annual Youth Convention, and managed the Falcon Camp Meeting so far. I have assisted pastors and churches with their problems and given my time to the furtherance of the cause of Christ and the Pentecostal Holiness Church. I have organized or otherwise received three churches into the conference. I served as Editor of the Conference Evangel.

Financial Report

I have received $4,205.90. We have paid $447.59, including a pledge. $232.00 of this was paid into the conference treasury.

I have traveled approximately 18,000 miles in connection with the conference work. I have received five cents per mile for 15,000 miles of this.

Finally, may I be allowed to renew the pledge made to the late Bishop King—to be subject to the appointing powers or the expressed will of this conference. This I do reiterate today.

W. Eddie Morris.

Report of Committee on Finance

We, your Committee on Finance, submit the following:

We believe that paying tithes and giving free-will offerings is the one and only God has instructed in His Word for His work. We call attention to the General Conference Finance Committee's report and recommendation that all our members, ministers and laymen, pay tithes so that all phases of God's work can be adequately supported.

We further recommend

1. That all members pay their tithes into the local church treasury and that the pastors encourage the election of officials who comply with the tithing system.

2. The ministers of the North Carolina Conference pay fifty per cent (50%) of their ministerial and secular tithes into the conference treasury, the remaining fifty per cent (50%) into the church treasury where the minister holds membership or may serve. This does not apply to superannuated ministers.

3. That no minister be elected to an official position or pastor a church who does not comply with the above system, or who does not satisfactorily meet his financial obligations.

4. That the churches pay their pastor his regular salary for the Sabbath during the annual conference session.

5. That in case of changing pastors, the local church shall defray the moving expense of the incoming pastor.

6. It is to be appreciated the way the majority of our churches have supported their pastors this year, but in view of the fact that some churches are not providing a sufficient salary, we recommend that the conference superintendent shall visit said churches and meet with the local boards and work out a financial plan that will give the pastor a better salary.

7. That each local church establish a treasury and ten per cent (10%) of funds be sent to the North Carolina Conference Treasury and the Conference Treasurer send ten per cent (10%) to the general treasurer.

8. That the funds raised by the local church for the following purposes: Foreign missions, Orphanage, Education, General Evangelism and General Fund be sent to the conference treasurer to be forwarded monthly to the general treasurer, pro-rated according to the general conference regulation, except special "ear-marked" offerings which are not to be prorated.

9. We recommend that the conference superintendent be paid seventy-five ($75.00) dollars per week as annual salary to be paid monthly, and five (5) cents per mile for traveling expenses. All offerings received by the superintendent for his work in the conference shall be credited to his salary, and that he be allowed three hundred ($300.00) dollars per year for secretarial help.

10. That the following appropriations be made:

(a) Fifteen (15%) percent of conference receipts be placed in the evangelistic fund. Twenty-five (25%) percent of conference receipts be placed in the superannuate fund.

(b) For the present sitting of this conference:

Presiding Officer, Bishop J. A. Synan	$300.00
Emmanuel College	$250.00
Holmes Bible College	$250.00
Conference Secretary	$ 35.00
Conference Treasurer	$ 35.00
Unpaid balance on Bishop's Homes	$188.05

(c) Conference Secretary to be paid $20.00 per month for the ensuing year.

(d) The conference treasurer be paid $45.00 per month for the ensuing year.

Signed

N. J. Ward, J. N. Williams,
Harvey E. Johnsno, L. D. Terry.
J. G. Crocker,

Report of Committee on Resolutions

We, your Committee on Resolutions, submit the following:

1. That the last paragraph of the By-Laws of the North Carolina Conference, as printed on page 28 of the 1950 minutes, be amended to read as follows: "That the Falcon Camp Meeting embrace the second and third Sundays in August, and that the annual conference begin on Monday at 2:00 p. m., after the last Sunday of camp meeting."

2. That the conference board have charge of entertainment and management of the camp meeting and conference, including the operation of the restaurant.

3. That all ministers (except those superannuated) shall be assessed five (5) dollars, for the camp meeting and conference entertainment and the meals be given free. Ministers' wives shall pay (5) dollars if they attend the entire camp meeting and conference. Attending conference only they shall pay two (2) dollars and fifty (50) cents. That delegate's entertainment fee be four (4) dollars for the conference session.

4. That we continue the set of rules devised for the governing of regulation in the dormitories, and that adequate measures be taken in the future for their enforcement.

5. That the conference elect a committee of three to work in cooperation with the conference board in planning for the musical program of the 1952 camp meeting.

6. That our pastors and church boards consider our local as well as our general evangelists in planning their evangelistic programs.

7. That each church give its pastor a one week vacation with pay, including one Sunday.

8. That the conference board arrange for a Christian Worker's Institute in 1952 in harmony with the expressed wishes of the conference.

9. That the superannuated ministers receive the Conference Evangel and meals at the restaurant without charge.

10. That the provision in the By-Laws for the conference board to serve as Nominating Committee for all committees to serve at the annual conference be stricken, and that in its place be inserted the following: "That the North Carolina Conference delegate to the several districts the right to nominate one man in each district at the last round of district conferences to serve with the superintendent on the Stationing Committee, and that a separate Nominating Committee be elected at each annual conference to nominate all other committees for the following annual conference." (See footnote to this paragraph.)

11. That the work of the Stationing Committee be conducted in short sessions over a number of days, giving the committee ample time to deliberate without becoming too fatigued through long sessions, and designating certain sessions as the time for certain groups of delegates or ministers to come for interviews, providing that no pastoral moves be made without adequate consultation with parties concerned; so removing at least a large amount of the secrecy which has heretofore surrounded the work of this committee, and making for what we believe will be a more satisfactory system of labor division. (See footnote to this.)

12. That the conference board arrange for a lecture on Sunday School lesson to be delivered on each of the two Sundays of the Falcon Camp Meeting; this lecture to precede the eleven o'clock service.

T. O. Todd, Chairman,
J. E. Knapp,
D. F. Fulcher,
J. D. Lee,
Mrs. W. D. McRoy.

Footnote on paragraph 10. "The Stationing Committee is to be nominated by the district conferences and this is to be confirmed by the official board." Bishop's ruling.

Footnote to paragraph 11. "This is not to be interpreted to mean the minister's assignments will have to be divulged prior to the reading of the Stationing Committee's report." Bishop's ruling.

Report of Committee on Orphanage

Works of mercy and kindness belong to the Church of Christ. The care of orphans affords a great privilege to follow the example of our Lord by blessing those who are in need.

Therefore, be it resolved:

1. That each minister show an active interest in having his church adopt a monthly budget allowance for the Falcon Orphanage.

2. That each local church adopt some definite plan for giving the people who attend their services an opportunity to make a contribution to the support of our orphanage.

In view of the great responsibility attached to the operation of our orphanage we think that every one should especially pray for those in charge and show a cooperative spirit in every way possible.

Respectfully submitted,
H. A. Morris,
W. M. Hudnell,
H. M. Pope,
Johnnie Pollard,
J. E. Johnson.

Report of Committee on Conference Evangelism

The Committee on Conference Evangelism submits the following:

1. Since the general conference has made the conference superintendent director of evangelism in his conference, we recommend that he have a competent board to work with him, which board shall be elected by the conference board; one director from each district. The directors shall be those who will devote special time and interest, and will promote conference evangelism in his district. This shall be done at a meeting immediately after the conference in order to save time that would be lost otherwise.

2. Each district director shall have the supervision over his district in the evangelistic activities in cooperation with the superintendent, who is chairman. Anyone desiring a tent meeting shall call on the director and let plans be worked out to avoid conflict.

That all mission workers having tents, or renting tents, work under the supervision of the superintendent.

3. Let the conference board have charge of supplements and expenses of those working under their direction, and all who desire such benefits must act under the direction of the committee.

4. That the conference board have printed for distribution to the various groups, leaflets, advertising revival campaigns, and that the district director give all advertising matter to the chairman in time to get the printing done for each campaign. The number to be printed shall be left to the discretion of the committee.

It is written, "Precious in the sight of the Lord is the death of his saints." It is also found in the Word of God, "From henceforth, yea saith the spirit, that they may rest from their labors, and their works do follow them."

In the course of this conference year it has pleased Divine Providence to promote to heaven Rev. M. H. Alexander, who was one of the best known and best loved members of our conference.

Brother Alexander was a loyal member to the policies of his conference, sacrificially faithful to its program and humbly submissive to its appointing powers.

He was a successful pastor of a number of churches, and helped organize and build churches in the conference.

Due to his continued illness he was unable to be active in the ministry during the closing years and months of his life.

We, the North Carolina Conference, bow in humble submission to the will of God in calling home our depated brother and do hereby extend our sympathy to his wife, Mrs. Alexander, and to all his relatives.

We, with sacred memories, and great anticipation await the day of reunion.

We recommend that the conference secretary send a copy of the conference minutes direct to Mrs. Alexander.

Report of Committee on Publication and Education

We, your Committee on Publications and Education submit the following

This year has been promotion time for a number of our Woman's Auxiliary members: Mrs. Mittie Campbell, Mrs. Rena Edwards, Mrs. N. J. Medford, Mrs. Edith Whichard, Mrs. Lena Whitaker and Mrs. Lucille Cooper and any others we have failed to mention.

These faithful women, who served their generation in the fear of God, have gone on to receive a richer reward.

Our sympathy is extended to the members of their families.

REPORT OF COMMITTEE ON TEMPERANCE AND PUBLIC MORALS

We, your Committee on Temperance and Public Morals, submit the following:

1. Your Committee desires to call our young people to an enrichment of spiritual living by patterning our lives after the instruction of God's word—the adhering to the truth promulgated by our church.

2. We suggest that each society render a special program on temperance and public morals quarterly, and more often if possible and desired.

3. In reference to matters pertaining to temperance and public morals, we urge our youth to exert every influence against modern amusements, and especially the degrading influence of the motion picture, professional sports, and also the dance hall. Again we wish to lay stress upon the immodest dress of Christians and its degrading effect.

4. In the light of the increasing crime wave among the youth of our land, we urge our societies to put forth a greater effort than ever before, to entertain our youth with social gatherings of Christian atmosphere.

5. We register once again our opposition to the use of and the traffic in habit-forming drugs. We are deeply concerned over the increase in the use of tobacco and intoxicating beverages, especially among the youth. We urge them to repudiate the habit, and we protest against the misleading advertisements of these things, and the promotion thereof.

6. We wish to urge our youth to respect and keep the Sabbath day.

7. We wish to urge that the President and Directors of the Convention, in visiting the societies, and leaders of all the youth societies, to impress the importance of these facts which have been included in this report, upon the mind of our youth.

Respectfully submitted,

Rev. Arthur Crawford, Jr., Advisor
Miss Melba Long, Chairman.
Miss Naomi McKeel,
Wayne White,
Sadie Ruth Belle
Sallie Cleo Durham.

REPORT ON SUNDAY SCHOOL EXTENSION AND EVANGELISM

In as much as we are living in a day of Pentecostal Outpouring by the Holy Spirit we feel keenly the need of getting this message to the world by every possible means. We therefore recommend:

1. Since the home is the logical place and setting for sowing the seeds of Evangelism, That

(a) The Bible be read in the home.
(b) Family prayer be held.
(c) The whole family attend Sunday School and worship services.
(d) That the reading of wholesome literature be encouraged.

2. That each Pastor, Superintendent, and Teacher emphasize the need of salvation and make a special effort to present the beauties and advantages of Christian living, and thus aid in bringing pupils to a saving knowledge of Christ.

3. Let the officers and teachers constitute a committee to contact and invite to Sunday School newcomers and non-churched people of the community. Also, where practicable, each class shall have its own attendance committee.

4. Let each Sunday School cooperate with special efforts on behalf of inmates of prisons, prison camps, hospitals, county homes, and any other institution that may need our help.

5. Out of Sunday Schools many churches have been born. Therefore let the schools where practicable, organize, promote, and foster

extension schools in cities, towns and communities where we do not have churches.

Respectfully submitted,
Ralph R. Johnson, Chairman
W. Eddie Morris,
Mrs. J. D. Wheeler

REPORT OF CHRISTIAN EDUCATION

We, your committee recommend the following:

1. That the Sunday School Official Board, including the District Directors promote the Treacher Training Course as recommended by the General Sunday School Association.

2. That the Sunday School Association purchase one complete set of books as recommended for the Teacher Training Course. That the Sunday School President become responsible for the circulation of these books which are to be used by Conference Sunday School officials and District Directors.

3. That the Teacher Training Training Course be reviewed and demonstrated in the Christian Workers Institute.

Respectfully submitted,
Miss Ethel Strickland
Mrs. Lela Carson
Mrs. Daisy J. Morris

REPORT OF ORPHANAGE AND MISSIONS

We, your committee on Orphanage Work and Missions submit the following:

In James 1: 27 we are told that pure religion and undefiled is to visit the fatherless and the widows in their affliction. In fact, our religion is reckoned by our so doing. Therefore we recommend the following:

1. That each Sunday School have a birthday and anniversary offering taken monthly to be given to the Orphanage.

2. That the Sunday School, no matter how small, co-operate in the conference plan of receiving missionary offerings once a month by whatever method is deemed advisable by each Sunday School.

3. That our Sunday School with the support of the pastors, be influenced by those in charge to an active missionary spirit promoted by visits from Miss Ethel Strickland and Miss Mavis Lee Oakley of our own conference, stressing the great need of spreading the Gospel according to Christ's great commission Mark 16: 15.

Respectfully submitted,
Mrs. Ed Strickland,
Mrs. H. D. Marshburn,
O. T. Howard.

REPORT OF COMMITTEE ON RESOLUTIONS

It being an indisputable fact that the Sunday School is the gold mine of the Church, we, your committee on resolutions present the following:

1. That every church and mission in our conference have an active Sunday School.

2. That the Sunday School board consist of a President, Vice-President, Secretary-Treasurer and two other members to be elected by the current convention. District Directors shall not be considered members of the Sunday School Official Board.

3. The duties of the President with the assistance of the Vice-President shall include assisting and advising each pastor in presenting Teacher Training Courses and otherwise supervising and maintaining contact with the Conference Superintendent on the accomplishments of genuinely aggressive Sunday School program.

4. That the duties of the District Director include promoting quarterly meetings of all district Sunday School officers, Teachers, and Pastors for the purpose of Sunday School advancement and such meetings be conducted in lieu of the past program of District Sunday School rallies. Such meetings, to be conducted some appropriate week night shall be presided over by the President or Vice-President if possible, otherwise by the District Director. Further that a written report be furnished to the President quarterly providing him with pertinent statistical information and other accomplishments of each Sunday School. Also to instigate and promote interest among the four districts.

5. That the Annual Sunday Convention be held at Falcon and the activities of the Convention be confined to one day including the evening service until such time as its enlargement demands otherwise. All details of the Convention including the date and program shall be planned in cooperation with the Conference Official board.

6. That each Pastor be required to attend the Annual Sunday School Convention and see that his church is represented if at all possible. Written excuse to the Conference Superintendent shall be required for failure to comply.

7. That the Conference Evangel be the medium of publication of S. S. activities.

8. That the minutes of this Convention be published immediately by the Publishing House and they be advised to conserve the type for incorporation in the minutes of the Annual Conference.

9. That we project and untiringly endeavor to attain a record breaking increase in Sunday School expansion during the ensuing year.

Respectfully submitted,
Conley C. Cribb,
W. R. Gearhardt,
Mrs. Virginia Franklin.

REPORT ON PROHIBITION, TEMPERANCE AND PUBLIC MORALS

In view of the fact that since the repeal of the 18th Amendment, juvenile delinquency has increased by leaps and bounds and that the liquor traffic, with all other agencies of the devil such as tobacco evils, the destruction forces of moviedom and language unbecoming to Holiness is on the increase we recommend the following:

1. Realizing the necessity of greater interest and better cooperation, we call upon our people to unite in prayer and effort for the success of the obligation imposed in our Sunday School work.

2. That all in our Sunday School work seek an enrichment of

spiritual living by patterning their lives after the instructions of God's word and adding to the truth taught by our church.

3. In the light of the increasing crime wave among the youth of our land we urge our Sunday Schools to put forth greater effort to entertain our youth with social gatherings of Christian atmosphere.

4. We urge all Sunday Schools to cooperate with Woman's Christian Temperance Union.

Respectfully submitted,

H. D. Marshburn
W. L. Jolly,
Louise Johnson.
